

Healthcare Support Workers
Development Opportunities

Are you ready?...

...to take the next step and get a qualification to support the work you do?

The new national standards are now available for a Senior Healthcare Support Worker Advanced Apprenticeship.

LPFT are delighted to announce that new apprenticeship programme above is now available for clinical support staff (Current Band 2 and 3 colleagues).

The senior health care support worker qualification is made up of a core or mandatory modules and a range of 6 optional units including:

- Mental health support
- Children and young people support
- Allied health profession – therapy support

On successful completion of this study programme you will achieve:

- RQF (regulated qualification framework) Diploma in Clinical Healthcare support at level 3. (65 credit diploma with specialist mental health pathway)
- Functional Skills in maths and English at level 2 (relevant qualifications such as GCSE grades will exempt the learner from this part of the qualification)

For more information or to apply for a place on this programme please email Sharon Jolly at Learning & Development:
